

**REMARKS**

Attached hereto is a Terminal Disclaimer to remove the judicially created doctrine of non-statutory double patenting of U.S. Patent No. 6,739,939.

Claim 10 was rejected under 35 U.S.C. § 112. Claim 10 has been amended. Reference can be made to Figure 14 as one illustration of a magnet being mounted adjacent a shaft body 102. With this amendment, it is believed that the 35 U.S.C. § 112 issue has been adequately explained and that the case should now be in condition for allowance.

If there are any questions with regard to this response, the undersigned attorney would appreciate a telephone conference.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on October 28, 2004.
